Correspondence received. Installation of mobile phone mast. Members had seen the email regarding the proposal for a mobile phone mast in Curtis Wood Park, and the clerk explained that she had spoken with John Bennett from St Martin's Church and he said that the Diocese and Natural England had refused to allow any more equipment to be added to what was currently in position, which is why a search had started for a new site. It was suggested that the Wildlife Area or the Cemetery might be suitable. The clerk will put those proposals forward for consideration.
